Shaftesbury Task Force

We are currently looking for volunteers to form a working group to research the infrastructure requirements of Shaftesbury and the surrounding area, so that the infrastructure keeps up with the scale of local developments.

We envisage this would be no more than a few hours per month.

If you are interested, please contact the Task Force office on 01747 228009 or email mail@taskforc shaftesbury.org.uk
Please reply by Monday 16th January 2017
